

## Get Behind The Diamond Jubilee Celebration—Make July 1st and 2nd Real Jubilant Days!

Coleman Old-Timer  
Crosses The Bar

**Harry Gate, a Resident of Coleman for 24 Years, Passed Away Saturday After Lengthy Illness**

The death occurred last Saturday night at his home on Main Street, Coleman, of Mr. Harry Gate, aged 64 years, one of Coleman's pioneer and highly respected residents, after an illness extending over the past six months.

The late Mr. Gate was a native of Cumberland, England, coming to Canada in 1902. The following year he came to Coleman to the International Coal and Coke company's mine which had been opened up a short time previously. He served with this company in different capacities for a number of years and worked at other mines throughout the Pass. Up to December last year he had been employed for several years as a fire boss with the McGillivray Creek Coal and Coke company.

After the townsite of Coleman was opened up Mr. Gate took an active part in community affairs, serving several terms as a town councillor and in other capacities. He was an active member of the Coleman town band and for a time was the band leader. In 1919 he was master of Summit Lodge No. 30, A. F. and A. M. At the time of his death he was Worthy Patron of Minerva Chapter, Order of the Eastern Star, and a charter member of the B. P. O. E. Lodge. At one time he was president of the local branch of the U. M. W. of A. and a trustee of the local miners' hospital, and a past president of the Coleman Quoting Club.

Mr. Gate is survived by his wife and six children. There are three daughters, Mrs. Roy Thomas, Mrs. A. F. Short and Mrs. F. Hart, all of Coleman. Two sons, William and Harry reside in Coleman, while a third, Joseph, is at present away from home.

The funeral was held on Tuesday afternoon at 5.30 and was one of the largest ever held in Coleman. Summit Lodge No. 30, A. F. and A. M., had charge of the funeral arrangements and held a short service in their lodge rooms. The remains were then taken to St. Alban's Anglican Church where a service was conducted by the Rev. A. D. Currie. Following which interment took place in the Union Cemetery.

Summit Lodge, A. F. and A. M., and Minerva Chapter, O. E. S., honored their deceased brother's memory by parading in a body, a wealth of floral tributes, from local and out of town friends, bore mute testimony to the high regard in which the departed was held.

Coleman Trading Co. Secures  
Paige Car and Tractor Agency

As will be noticed from The Journal advertising column, the Coleman Trading Company have recently secured the local agency for the well known Paige automobiles, "the most beautiful car in America," and also for Case Tractors.

This firm have the very latest models of Paige cars on their premises for demonstration purposes, as well as Case tractors, and would be pleased to demonstrate either of these machines to any prospective buyers.

St. Paul's Anniversary  
Services Enjoyed By  
Large Gatherings

The much delayed celebrations of the twenty first anniversary of the United Church took place over the week end. A great deal of planning and work had been done and the results were excellent. Two first class congregations listened to the Rev. E. L. Best, of Fernie, whose addresses were of a fine order, in the morning on "Thoughts of God," and in the evening on "A Brother and a Star." The junior choir filled the platform for the first service and for the second the regular choir led the praise and gave two special anthems.

The alterations to the pulpit platform and the new draperies added much to the dignity of the occasion and the floral decorations by the senior girls were delightful. The cut flowers were their gift.

The supper was the usual success at least. The tables were attractively furnished and decorated and the supper was really a banquet. The senior girls again helped with the serving. The Ladies Aid are to be congratulated on the whole affair.

The entertainment following was quite up to all expectations. The Minister was in the chair. Mrs. Scampton and Mrs. Davidson contributed songs that were much enjoyed. Mr. Cameron spoke of the planning of the building by some of the pioneer folks of the town.

Mr. Best's lecture was a treat and an event. Grave and gay, profound and topical, anecdote and poetry and a fine delivery and manner gave the audience an hour of real enjoyment.

Mr. Young, of Blairmore, brought the kindly wishes of the other United Church congregations of the Pass.

Altogether, in spite of other great attractions and the first real warm Sunday, the Anniversary passes into local history as one of the most happy and successful occasions in the history of this congregation. Mr. Best can count on many friends in Coleman and may be sure of a warm welcome at any time.

MARRIED  
HARRIS-CURRY

BELLEVEUE, June 2—A very pretty wedding was solemnized at the United Church on Thursday, June 2, the Rev. Oliver officiating, when Miss Violet Curry, only daughter of Mr. and Mrs. John Curry became the bride of Mr. William Harris. Miss Curry has been a resident of our camp for some years and for the past four years has been on the staff of the Bellevue school. Mr. Harris has been a resident of our camp for the past three years and is well known and highly respected. Mr. Harris is a music teacher, specializing in the violin.

The United church was very tastefully decorated for the occasion, the work of decoration being done by a number of friends of the bride and groom. After the ceremony was over the immediate friends of the bride and groom went to the home of the bride where a very dainty wedding supper was served.

The bride and groom left in the evening for their home in Coleman where they start housekeeping with the best wishes of a large number of their friends. The music for the wedding was supplied by Mr. Albert as organist, and Mr. Harris of Coleman, brother of the bridegroom. Miss Dillian Morris, of Lethbridge, acted as bridesmaid.

Coleman at Home to  
Corbin Tennis Players

The Coleman tennis club opened the C.N.P.L.T.A. inter-club schedule here last Sunday with Corbin visiting club. The weather man provided perfect tennis weather and nine events were run off, productive of some fine tennis. The visitors have been unable to get in much practice owing to the inclement weather but put up a game fight all the way and staged a highly creditable performance. The courts were in perfect condition and the local club has every reason to be proud of them.

Coleman took seven events of the nine played but the score did not indicate the stiff opposition put up by the losers at times. Following are the results:

J. A. McLeod beat McKenzie, 6-2, 6-3; W. T. Watts and Lindoe beat Hince and McKenzie, 6-2, 5-7; Hince and McDonald and Purvis beat Frey and Oakley, 6-1, 6-4; Mrs. Purvis beat Mrs. Hince, 6-1, 6-4; Mrs. McLeod beat Mrs. Dalton, 6-0, 6-0; W. E. G. Watts and Miss Muir beat Mrs. Dalton and McKenzie, 6-8, 1-6, 6-1; Mrs. Purvis and Miss Slade beat Mrs. Hince and Mrs. Dalton, 6-1, 6-3; the two events won by Corbin—Hince beat W. T. Watts, 2-6, 6-2, 6-1; Mr. and Mrs. Hince beat Mrs. Borden and McLeod, 7-5, 6-3.

Glacier Creek Bridge Goes  
Out—Motorists Marooned

On Monday, several parties of motorists from Coleman, including Mr. and Mrs. R. Hart, Miss Evelyn Stout and Mr. L. Emmerson, Mr. H. Sherratt, Mr. and Mrs. Ed. Brown, and a car from Frank, who had motored to Fernie during the day, found that the bridge crossing Glacier Creek, between Crow's Nest and the lake had been washed out by a sudden flood of water from the mountains.

Mr. and Mrs. Hart and Miss Stout got back to Coleman on a freight during the night, while the others were forced to spend the night at Crow's Nest. The government road gang are at the scene of the trouble and it is expected but a few days will elapse before a new structure will replace the one destroyed.

Coleman Quoting Club  
Official Opening, June 18

The new grounds of the Coleman Quoting Club are to be officially opened on Saturday, June 18th, with an exhibition match between two of the best known quoting artists in the province, when John Durnie, champion of Calgary, meets Alex. Rankin, of Coleman, in a 41 shot up match.

This game between these quoting titans is stirring up a lot of interest locally and throughout The Pass, and a large crowd of fans will no doubt be on hand to witness this match. The game is scheduled to commence at four o'clock.

There will be an executive meeting of the Boy Scouts Association on Monday, June 13th, at 8 p. m. in St. Alban's Parish Hall. All members are requested to be in attendance.

Mr. T. Badham, of Edmonton, a former well known and popular resident of Coleman, arrived in town last Saturday, and is spending a couple of weeks here renewing old acquaintances.

Crow's Nest Pass Mis-  
sion—Visit of the Lord  
Bishop of Calgary

The Right Rev. Louis Ralph Sherman, Lord Bishop of Calgary visited this part of the Diocese of Calgary on June 5th and 6th. On Sunday he celebrated the Holy Communion at Blairmore at 9.45 a.m. when quite a good number were present. He then drove to Coleman and administered the rite of Confirmation to 16 candidates namely, Sydney White, Oliver Barlingham, George Derbyshire, George Snood, Jack and George Rushton, Melville Cornett, Helen Cornett, Ivy Snood, Dulcie Richards, Corrie Goldring, Myfanwy Griffiths, Gladys Moores, Ivy Ashbridge, Beatrice Jackson and Martha Morris. The service was most impressive throughout, about 145 being present. The Bishop then drove to Crowley where about 125 people awaited him. From there he drove back to Blairmore and administered the rite of Confirmation to five candidates namely, Harvey Wheatcroft, Helen Eadie, Kathleen Warke, Evelyn Bennett and Margaret Grant. Here, there was also a large congregation to hear his lordship.

On Monday the Bishop spent all day in the country to the North of Crowley visiting some of the people there. In the evening a reception was held in the Parish Hall at Coleman at which there was a large turnout both from Blairmore and Coleman. A. J. Morris welcomed the Bishop on behalf of Coleman and D. G. Mackenzie on behalf of Blairmore, while Miss Dulcie Richards, in a charming little speech of welcome, brought down the house. The Bishop in his reply asked for the cooperation of everyone, stating that this was not a one man affair, but the work must be carried on by everyone putting their shoulders to the wheel. After this the Rector introduced the Bishop around the room to the different parishioners. Mr. Royle very kindly played the organ at both churches on the Sunday. Mrs. Ashbridge and Messrs Hatfield and S. White contributed to the short programme, and their items were much appreciated.

Junior Tennis is  
Well Under Way

The junior tennis enthusiasts are off to a good start this year. There are over forty junior members all very enthusiastic and seemingly quite determined to see that the tennis courts are used as was originally intended, for play.

The preliminary tournaments, which served to initiate the new members into the game are now completed. In the senior girls' event Dorothy Burne finished at the top of the list with Jean Pattinson the runner up. The junior girls showed lots of enthusiasm in their Doubles, Margaret McDonald and Joy Emmerson winning the finals of this event. The boys failed to finish their tournament.

Medals, donated by individual members of the Tennis club, will be awarded for the present tournaments. There are three groups in the present play-offs, one for the senior girls, another for the junior girls and a third for the boys. In spite of the fact that there are a large number of games to play before the winners of the coveted bronze are decided, the juveniles are going at it with every intention of making the tournament a success and with fairly favorable weather conditions all matches should be completed well before the July holidays.

## New Ford Car Coming

"Yes, a new Ford is coming, but it will be autumn perhaps before we'll be able to display the new car," said Alex. M. Morrison of the Coleman Garage Limited, local Ford dealer in discussing the recent brief announcement from the company's head office at Ford, Ontario.

"It is characteristic of Ford policy not to hurry into the production of a car. Ford experimented for many years before he put his first car on the market, and he experimented for years more before the famous Model T was marketed. That the Model T could out sell all other cars for nineteen years shows that when he experiments he arrives at some real results. He has been experimenting for years to get something more advanced than the Model T. Now that he has it, plans have to be completed to produce it on a quantity quality basis that will give the public the benefit of Ford economical manufacturing methods. Meanwhile we will take orders for the new car 'sight unseen' and deliveries will be made strictly in order of the time the sale was arranged. We will also continue for the present to sell the Model T. It always has been Ford policy to trade in Ford used cars and so the owner of a current model Ford will enjoy a preference when it comes to buying the new car. The Company's faith in this practice is based on the long life and durability of the product which holds its resale value at an incomparably high figure at any period in its life. This policy of trading in used Fords will be more apparent than ever when the new car is placed on the market some time this fall."

No information is yet available respecting the mechanical details of the new car, the dealer said. "The only definite information I have is that the new car will cost more than the present one, as anyone who knows automobile values will tell you. There is every indication that the new car will be a sensation. We have the company's word for it that it has speed, style, flexibility and control in traffic. That is just about everything that anyone could ask for, and when you add the benefit of Ford's economical production methods and traditional adherence to a standard of highest quality you have a wonderful combination."

"In the interim we will continue to sell Model T cars and to give service on them. They will never be orphan cars, for the Company will continue to produce parts for them as long as they are in use, and as they are the longest lived cars on the market that will be for a considerable time. The announcement that the new car will cost more to manufacture than the Model T should set at rest the rumors which circulated about a price cut. We know we'll have no difficulty in moving out our stock of Model T's for they are still the best value and we are expecting a time when the demand for Ford Cars will be very much greater than the supply."

The Salvation Army will be holding their Home League and pantry sale in the K. of P. hall on Monday, June 13th, commencing at 1 p. m. The members of our Home League have been busy for the past six months making the goods which will be on sale. Tea will be served in the afternoon. The home league solicits your patronage on this occasion.

Canadian Red Cross Doing  
An Immense Business

Since the war, on its peace time programme of health conservation for the people of Canada and welfare work, the Canadian Red Cross has spent over \$7,000,000. About one half of this great sum has been expended for the disabled members of the Canadian Expeditionary Forces and their families; the other half has gone into the public health or health educational activities of the Society. Last year through grants to Provincial Divisions and on the national work a sum of over \$850,000 was spent in the Dominion.

These figures serve to indicate in some measure the extent of the immense business now carried on by the Red Cross in its capacity as an auxiliary agency of governments and as the hand maid of the people in its task of scientific care of the national health.

This task was shown to have become urgently necessary because of the revelations of untold need during the war and it was a fortunate circumstance that with the funds of the Society available when the Armistice was declared, or accruing since that time, the Red Cross has been able to carry forward so large and so indispensable a programme of public welfare work.

The largest item in the expenditures is that of \$3,600,000 for care of the ex-soldier in all Provinces; then comes the cost of establishing and maintaining the thirty-nine Outpost Hospitals throughout the frontier sections of the Dominion; that of organizing the army of 140,

## Card of Thanks

Mrs. H. E. Gate and family wish to express sincere thanks to Drs. Borden and Mennish, and the nurses of the Hospital Staff for their kind services to her husband and their father. Their consideration and thought did much to alleviate his sufferings of the past six months.

We are grateful to the Rev. Currie and Capt. Watt of the Salvation Army; to the members of Summit Lodge, A. F. and A. M.; Minerva Chapter O. E. S. and Coleman Lodge B. P. O. E., and personal friends, for the many and varied acts of kindness during sickness.

Will all friends who sent floral tributes, or expressions of sympathy, or offered services of care for the funeral, please accept this notice as our personal thanks.

Mrs. H. E. Gate and Family.

Floral tributes received were: The family, Summit Lodge A. F. and A. M., Minerva Chapter O. E. S., Coleman Lodge L. O. B. A., Vimy Chapter O. E. S., Blairmore, Coleman Lodge B. P. O. E., Cumberland-Westminster Society, Calgary, Coleman Town Band, McGillivray Creek Mine Officials, McGillivray Creek Coal & Coke Co. Ltd., Salvation Army, Dr. and Mrs. J. Olivier, Blairmore, Mr. and Mrs. H. H. Gate, Calgary, Mr. A. C. Ruby, Calgary, Mr. and Mrs. R. Tennant, Corbin, Sister Mary of Lethbridge, England, Mrs. H. Hart, Lethbridge, Mr. and Mrs. W. H. Short, Lethbridge, Mr. and Mrs. H. Pinkey, Blairmore, The Davidson family, Rev. and Mrs. Currie, St. Alban's W. A. M., and Mrs. J. Nash, Mr. and Mrs. C. S. Ousmette, Mr. and Mrs. A. E. Graham, Mr. and Mrs. M. W. Cooke, Mr. and Mrs. J. Lonsbury, Mr. and Mrs. Geo. Short, Mr. and Mrs. Geo. Pattinson, Mr. and Mrs. A. M. Morrison, Mr. and Mrs. H. R. Short, Mrs. C. P. Donahy, Mr. and Mrs. Robt. Evans, Mr. and Mrs. J. Washon, Mr. and Mrs. F. G. Graham, Dorothy and George, Mr. and Mrs. Gus James, Moonshett Legion, Mr. and Mrs. Geo. Short, Mr. and Mrs. S. C. Short, Mrs. Russell Ferguson and Mr. and Mrs. Jack Bell.

Imported direct from the Orient in metal lined chests. Blended and packed into 1lb.  $\frac{1}{2}$ lb.  $\frac{1}{4}$ lb. bright Aluminum packages.

# RED ROSE TEA

"is good tea"

RED ROSE ORANGE PEKOE is extra good.

## Law and Order, or Chaos?

The action of the British and Canadian Governments in breaking off diplomatic and trade relations with the Russian Soviet Government is the culmination of a long series of non-diplomatic actions on the part of the Soviet authorities, and openly expressed and active enmity to British interests in all parts of the world. Professing friendship and enjoying rights and privileges wherever the Union Jack flies, Soviet emissaries everywhere plotted and schemed to undermine British influence, destroy British interests, all with the avowed object of ultimately overthrowing the British form of government and breaking up the British Empire.

Wherever in any part of the world unrest was found to exist, wherever trouble loomed up, there the Soviet agents were busy carrying on their baneful propaganda, and always especially active if British interests were in any way concerned. The British Government continued to exercise patience and forbearance until these ceased to be a virtue. In 1920, the Soviet regarded the policy of conciliation followed by Great Britain as a sign of weakness. They treated it with contempt while taking full advantage of it.

But it is not the British Empire alone that is involved in Soviet propaganda and activities. Every nation having a regard for the continuance of law, order and good government, and interested in the maintenance of sound economic principles in all international relationships and trade, must view with concern the attitude of the Russian Communist Government. In a word, all nations must recognize the fact that there are two major forces contending for supremacy in the world today so hopelessly antagonistic to each other that both cannot survive.

On the one hand, there is the communistic idea sponsored by the Soviet, a system which denies God, denies the moral code recognized in all civilized communities, ignores rights of property, flourishes on strife, discord and unrest, has no regard for obligations solemnly entered into by it, and ever seeks to promote its theories and activities through the mediums of spies and openly lawless characters.

On the other hand there are those people who reverence God and religion, who uphold the moral code, who believe in the sanctity of marriage, recognize property rights, observance of law and respect for constituted authority and the honorable obligations of promise and treaty, who strive for peace and the orderly solution of social and economic problems, rather than resort to revolutionary methods, spy systems, treachery, threats, intimidation, even execution without trial.

One or the other of these codes for the government of mankind must prevail; there can be no compromise where principles of conduct are so absolutely opposed.

The nations of the world are coming to a realization of the situation and to an acceptance of the struggle involved. Unlike Great Britain and some other countries, the United States never recognized the Russian Soviet Government and has consistently refused to have any dealings with it. The whole English-speaking world now takes the same position. France, too, is alarmed, as is evidenced by the recent declaration made on behalf of the French Government. And U.S. Ambassador Herrick to France has declared his belief that "the people of every country have got to choose between order and anarchy, between honesty and thievery, between every day virtue and crime." "Either we believe in orderly society or we don't," he declared, "if we do, we ought to use all the power within us to defend and advance it."

Calling itself a Workers' Government, the Communists of Russia have sought to get control of organized labor throughout the world. In this they failed in Great Britain, in the United States, in Canada, where the hard common sense of the working men and the sanity and patriotism of their leaders have failed these inglorious attempts. "Reds" everywhere seek to create the impression that opposition to Bolshevism is opposition to organized labor, but nothing was further from the truth. Labor has everything to fear and lose from the spreading of the Russian doctrine and nothing to gain.

Eternal vigilance is the price of liberty, and as there can be no true liberty under the Bolshevists, as even many of them have learned to their sorrow, the civilized nations must remain on guard lest they fall in the pit which has engulfed the people of Russia.

### Says Court Caused War

The cause of the war was due to "the cause of the war" in the earth's atmosphere by Italy's comet in 1910, declared a speaker to a meeting in Washington. The gas made humanity nervous, suspicious and irritable, he said, and if another war occurs in 1925, the Venus-Windelke comet of last June must be blamed.

Rich Old Gentleman—"The life insurance companies won't take me. Sweet young lady—"Then I will."

### Muskats in B.C.

The development of the muskrat industry five miles south of Revelstoke will be proceeded with further this year, 160 acres having already been fenced in by the Revelstoke Muskrat Fur Breeders' Association.

Patient—"But doctor, you are asking \$10 for taking a clinder out of my eye."

Specialist—"Now, now. My charge is for removing a foreign substance from the corner."

## Children Cry for

MOTHER—Fletcher's Castoria is a pleasant, harmless Substitute for Castor Oil, Purgative, Teething Drops and Soothing Syrups, especially prepared for Infants in Arms and Children all ages.

To avoid imitations, always look for the signature of *Dr. J. C. Fletcher* on every direction on each package. Physicians everywhere recommend it.

### History Will Repeat Itself

Hudson Bay Railway is Only Another Aid to Canada's Progress.

Those who talk of the Hudson Bay Railway in similar strains today should be reminded that only, comparatively, a few years ago, Edmonton was regarded as too far back to become the centre of developed territory. But Canada, once all length, grows broader year by year. Marquis wheat pushes the limit of cultivation two hundred miles or so nearer the Arctic Circle and long before settlement has exhausted the lands thus made available, means will be found to utilize those beyond them. The Morning Star believes that once the Hudson Bay railway is completed and begins operation, less than a decade will elapse before those who now condemn the enterprise as hopelessly fantastic will be glad to forget that they ever posed as prophets.—Vancouver Star.

### Pain in the Back

#### Yields to Nervine

If you have failed to secure relief from other remedies, rub on lots of good old "Nervine," the strongest, most penetrating pain relief on the market. Nervine acts quickly on small pains and is the surest to drive out the big ones. It's because every drop of Nervine that you apply has the ability to sing in deep throats that drives away pain that ordinary oils eliminate won't touch. Nervine it drives away pain that ordinary oils at all dealers.

### R. A. F. Fighting Planes in Altitude Contest

Quickest Time Made in Ascent and Descent Will Decide Winner.

Single-seat fighters, with motors supercharged to maintain power in thin air at great heights are to take part in an altitude race at the Royal Air Force display at the Hendon Aerodrome, N.W., on July 3. According with sealed height recorders, they will rush up to more than 25,000 feet or approximately five miles. Their pilots will be electrically warmed suits and be provided with oxygen breathing appliances.

Having gained as rapidly as possible, the height stipulated the pilots will come swooping back to earth again, the winner being the airman who makes the ascent and descent in the quickest time.

Attacked by Asthma. The first fearful sensation is of suffocation, which hour by hour becomes more desperate and hopeless. To such a case the relief afforded by Dr. J. D. Kellogg's Asthma Remedy comes nothing less than miraculous. The relief is quickly apparent and soon the dreadful attack is mastered. The asthmatic who has found out the dependability of this sterling remedy will never be without it. It is sold everywhere.

### Future of China

ASTONISHING Development Awaits Establishment of Stable Government.

"Readjustment of affairs in China must be by the Chinese, and without foreign interference," declared Mr. J. D. Kellogg, who has found out the dependability of this sterling remedy will never be without it. It is sold everywhere.

"A most astounding development of commerce will take place in China," declared Mr. J. D. Kellogg. "It will be a stable and steady government which must come. When? I wish I could answer that. But with a civil war raging throughout China, trade and commerce has flourished tremendously. When the war is over, imagine the effect upon Canada, the neighbor of China, when this development comes. Already Vancouver is feeling the benefit of Chinese trade."

### Raised Thousands of Sheep

An old Norfolk shepherd died recently at Fallowfield, England, at the age of 85. He was appreciated as a shepherd at an early age and continued in that employment throughout the rest of his life. During his period of service he is estimated to have raised 200,000 sheep and only retired a few years before his death.

### Oil for Pacific Naval Base

Representatives of the Anglo-Persian and other British oil companies have inspected oil exploration possibilities in Alberta recently with a view to securing a new oil supply area for the North Pacific naval base.

Darwin is the world's chief producer of rubies.

Minard's Liniment for insect bites.

### Jubilee Programme

A Message of Thanksgiving From Coast to Coast.

In order that the Jubilee of Confederation shall be ushered in a uniform and fitting fashion, the national committee suggests that at midnight on July 1 bells be rung, whistles be blown, and wherever possible bands play "God Save the King" and "O Canada." Thus from coast to coast there will resound a message of thanksgiving for the past 60 years of progress, and of optimism for the future.

It is the intention of the national committee to issue invitations to a considerable number of distinguished persons to attend the opening ceremonies of the celebration in Ottawa July 1. Among those who will be especially invited will be the surviving sons and daughters of the Fathers of Confederation, who are scattered throughout the Dominion and some of whom reside in Great Britain and elsewhere.

Invitations also will be sent to Sir Emile Howard, British ambassador at Washington; Hon. P. C. Larkin, Canadian High Commissioner in London; Hon. Philip H. King, Canadian High Commissioner at Paris; Hon. Vincent Massey, Canadian Minister at Washington; Hon. T. A. Sully, Minister Plenipotentiary of the Irish Free State at Washington; Sir Hugh Lawson, Commissioner for Australia at New York; Hon. Eric Lough, Commissioner of the Union of South Africa, New York; Hon. W. J. S. Stewart, official representative of the Dominion of Newfoundland, New York; Hon. W. F. Munroe, Premier of Newfoundland, and William Phillips, United States Minister to Ottawa.

In addition special invitations will be sent to consultants-general resident in the Dominion of Canada. Among others who will be specially invited to attend will be the Hon. Charles H. McNeill, who was in the service of the chair at the time of Confederation; he is a former mayor of Ottawa, a former member of the House of Commons, and a former Lieutenant Governor of the North West Territories.

### More Shoes for Women

Increased Output in Canada Far Exceeds Demand.

Women wear more shoes than men in Canada. Nearly 100,000 more pairs of leather and felt footwear were manufactured for women in March than for men. In the previous month, the increase in production for men over the output in February was only 25,182 pairs. The report issued by the Dominion Bureau of Statistics shows that 62,257 pairs of shoes were produced for men in March and a total of 52,324 pairs for men. The total increase for the last and shoe production record an increase in output of 27,629 pairs in March as against February.

### Always Ready and Reliable.

Practically all poles arising from the Canadian oil fields are produced by the Thomas' Electric Oil. Slips, rub it on the sore and it is quickly relieved of the pain. The healing power is conveyed to the inflamed tissue which is quickly soothed. This fine old remedy is also a specific for all manner of cuts, scratches, bruises and sprains. Keep a bottle handy always.

### Motorists and Fires

If there were any way of arriving at an accurate survey of the causes of woodland fires it might very well be found that more of these are due to careless motorists than to careless fishermen and hunters. Hundreds, perhaps thousands, of burning cuts and cigarette ends are thrown from passing automobiles every day with no thought of their landing place. A single act of negligence like that may be responsible for a most disastrous fire.

### PIMPLES BROKE OUT ON FACE

Lasted Nearly a Year. Healed by Cuticura.

"My skin trouble began with pimples breaking out on my face. They gradually grew worse and spread to my body. They were red and itched very much, and when I scratched, caused eruptions which disfigured my face. At night I could not sleep for the itching. The trouble lasted nearly a year."

I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. The sample cured me in a few days. I used it five months. I was healed." (Signed) Willie A. Yaremko, 8224-18th Ave., Edmonton, Alta.

Use Cuticura Soap, Ointment and Talcum for daily toilet purposes.

Sample Size Free by Mail. Address: Cuticura, P.O. Box 5400, St. Paul, Minn. 55109. Cuticura Soaping 25c.

It's wonderful what confidence a "shine" will give you—and how uncomfortable you feel without one! Moral—every morning use "Nugget".

## "NUGGET" SHOE POLISH

There's a "Nugget" for every shoe made.

### Honored Poor Inventor

Egyptian King Visited England to Pay Homage to Samuel Crompton.

Because 150 years ago a poor young man named Samuel Crompton wanted to help his mother, a king came to England all the way from the glamorous Orient, with all his glittering court, to stand in silent homage at his simple grave-stone.

What the boy did completely revolutionized the cotton spinning industry, made the British city of Bolton one of the busiest and richest towns in the world, and made possible a vast development in the cotton growing industry of Egypt.

That's why King Fud came from Cairo especially to take part in the centenary celebration of Crompton's death.

Last January, when the International Cotton Congress was held in Cairo, the King was asked to come to the Crompton celebration at Bolton. He accepted.

As a boy, when Samuel Crompton helped his mother spin yarn at home for the industry was then carried on in the cottages, the difficulties encountered suggested to him a counter the Hargreaves and Arkwright contrivances.

The invention is generally known in the trade as a "mule." Its principal innovation was the introduction of a spindle carriage which took away the strain on the thread and enabled much finer yarn to be spun, thus making mules possible.

### Today Best Time to Buy Farms

Begin Now to Plan and Prepare for the Future.

"Buy farms now!" is in view of the present discontent of the farmers—the unusual advice of the "Southern Agriculturist."

An editorial in the April 15th issue of this progressive farm magazine reads: "The young farmer—or the older one, for that matter—who gets his feet finally planted on his own land now and begins planning and buying is better off than he is not at all. He will regret his action in the time to come."

Justification for this advice is found in the fact that the future of farming and in the fact that today farm lands are cheap.

"Just because farm profits have been small these last few years," says the editorial, "no reason why the young man or young woman who is going to farm should be afraid to risk life or her future on farming, to train a parent should hesitate to raise his children for work on the farm and for life in the country."

And looking forward to that time when prices are low, the editorial says: "The farmer who buys land now when prices are low, he will be able to pay for it when prices are high."

The Oil for the Athlete.—In rubbing down, the athlete will find Dr. Thomas' Electric Oil an excellent article. It renders the muscles and sinews pliable, takes the soreness out of them and strengthens them for stunts that may be put upon them. It stands pre-eminent for this purpose, and athletes, who for years have been using it can testify to its value as a lubricant.

### Would Mean Markets For Australian Goods

Canada-Australian Trade Treaty Very Much to Canada's Advantage.

W. C. Atanah, who is visiting Canada at the request of Premier Birney of Australia, in an address to the board of trade at Toronto said his object was to secure a larger market in Canada for Australian dried and canned fruits and for Australian products generally.

The speaker pointed out that the Canada-Australian trade treaty was working out very much to Canada's advantage, the balance of trade being unfavorable to Australia to the extent of \$7,500,000.

Contrary to popular belief, the whole does not point water. The conditions in it is warm because in the colder air makes it seem like a key of water.

Lots of men pray for things they wouldn't be willing to work for.

Minard's Liniment is reliable.

### Sheep Protection Act

Municipalities in Saskatchewan Now Liable for Damage Done by Dogs.

Saskatchewan's new act for the protection of sheep from dogs, went into effect May 1st. Under its provisions, any municipality in the province is liable for damages done to sheep by dogs, and all municipalities must appoint competent valuers to assess damages where sheep are destroyed or damaged by dogs. To provide funds to meet these losses, any municipality may impose a dog tax of \$1.00 for first and \$2.00 for the second male dog kept, and up to \$5.00 for each female.

## FOUND A HEALTH BUILDING TONIC

A Nova Scotia Lady Was in an Anemic Condition

Men and women who do not sleep well and are nervous and weakened by a night's rest, are generally suffering from this watery blood. The more they eat, the more they demand and headaches and a worn out feeling is the result. Building up the blood is the sure step to renewed health and strength, and for this purpose nothing else can equal Dr. Williams' Pink Pills. From first dose to last they enrich and purify the blood, and in this way promote better appetite, better rest at night, and renewed strength.

Mrs. Mary E. Uhlman, Williams, Nova Scotia, writes: "I have received so much benefit from Dr. Williams' Pink Pills, that I would feel myself ungrateful if I did not let you know. I was in a very poor state of health and reached the stage where I had to remain in bed. A doctor was called in and advised a rest cure. I did not see how it was possible for me to take a very long rest. I decided to try Dr. Williams' Pink Pills. Soon I found my strength returning and before very long I was able to go about my duties as usual again. This was a few years ago, and my health remained good until about a year ago, when I broke out with humor of the blood. Again I consulted the doctor, who said my blood had become so thin that it had really poisoned itself. I told him I had bought several boxes of Dr. Williams' Pink Pills, and he told me to go on taking them as he thought they were just what I needed. I took eight boxes and again was in good health. I can therefore recommend these pills to all in a weak or run-down condition. Dr. Williams' Pink Pills are sold by all druggists or will be sent by mail on receipt of order of price, 50 cents a box. Try them today."

### Learned the Reason

Forbes Magazine tells of a colored agent who was summoned before the Insurance Commissioner, "Don't you know," said the commissioner, "you can't sell life insurance without a 'Shade Healer'."

"Tons," said the man, "you said said a mouthful. I knowed I couldn't sell it, but I didn't know the reason."

### Gold Dredging in Alberta

Eastern capital will be expended this year in gold dredging operations on the McLeod River, a tributary of the Athabasca, in North Alberta. The first dredging unit will be installed early this summer.

### Insect Bites.

THE NEW FRENCH REMEDY, No. 1, is a powerful and effective remedy for all kinds of ailments. It is a French preparation, and is sold by all druggists. It is a French preparation, and is sold by all druggists.

**Canadian Red Cross Doing**

(Continued from Page One)

000 children in the Junior Red Cross, one of the most outstanding of its contributions to health education in Canada; the initiating of the Public Health courses for nurses which have since been taken over by six Canadian Universities; the publication and distribution of nearly 6,000,000 pieces of health literature; the institution of the Seaport Nurseries at Halifax, Quebec and Saint John in which the Red Cross welcomes and assists all mothers and their children among incoming families; the establishment of Home Nursing Classes in each Province in which over 12,000 women and girls have received this valuable training; and the provision of such Disaster Relief as has

been necessitated by reason of forest fires, epidemics, cyclones or other catastrophes.

In order that all these services may be adequately sustained and to provide for the needs of the immediate future, the national Red Cross requires the sum of \$1,000,000. That is the figure at which the present campaign is aiming, and as this is the first nation wide appeal for support made by the Society in ten years, it is confidently expected that the requisite amount will be forthcoming.

The campaign is to be carried on from Empire Day, on May 24th, until Dominion Day, July 1st. During that period the people of Canada from coast to coast will be asked to do their part to make it possible for the Canadian Red Cross to

## CHAS. NICHOLAS, Coleman, Alta.

will further develop its great programme of national conservation and public welfare.

**Here and There**

Two million dollars will be spent in the Central Manitoba mineral area on development work this year. Improved navigation and highways into this district are included in the activities of the Mining Bureau of the Winnipeg Board of Trade.

The development of the muskrat industry five miles south of Revelstoke will be proceeded with further this year, 100 acres having already been fenced in by the Revelstoke Muskrat Fur Breeders' Association.

Eight hundred families from Switzerland are expected to come out to Western Canada to settle during 1927, according to the Acting Consul for Switzerland. There are thriving Swiss settlements in Notre Dame de Lourdes, Manitoba, and Stettler, Alberta.

Canada's chemical industry recorded an increase of \$7,500,000 in sales during 1926, as compared with the previous year, according to the Dominion Bureau of Statistics. Production by 533 plants was valued at \$120,300,015, as against \$118,000,000 for the previous year.

Ottawa's memorial carillon, to be installed in the new Victory Tower at the Capital, arrived in Canada May 20 on the Canadian Pacific steamship "Balfour." The huge bells, weighing in all about 53 tons, will constitute one of the finest sets in the world. They were cast at the Croydon bell foundry in England.

Word comes from the Engineering Department of the Canadian Pacific Railway that when the Banff Springs Hotel opens on May 15th, for the summer season, the north wing of the building will have been completed and ready for occupancy. Next year at the same date the south wing will have been rebuilt, when there will be at the service of the public an hotel of over 600 rooms and baths, as well as its other splendid accommodations.

children in Peking left either for the coast or for Japan at the same time.

## Getting Branch Line Work Under Way

The vice-president was here on one of his periodical trips for conference with western region officials.

## A Giant Photograph

**Increase in Chemical Sales**  
Ottawa.—Canada's chemical industry recorded an increase of \$7,500,000 in sales during 1926, as compared with the previous year, according to the Dominion Bureau of Statistics. Production by 533 plants was valued at \$120,369,518, as against \$112,000,000 for the previous year.

### Premier of B.C. Recovering

Hamilton, Ont.—Hon. John Oliver, Premier of British Columbia, who was convalescing at the home of his son here for some time following an operation he underwent at Rochester, Minn., has so far recovered that he left on an automobile trip to Gray County to visit relatives.

# WAR GESTURE IN RUSSIA FOLLOWS RAID IN LONDON

The appeal says that war may be forced on Russia, in spite of its efforts for peace, and calls on all members of the party and all toilers to pay the closest attention to questions consolidating the economic strength and defence of the country.

# PERMIT RUSSIA TO CONTINUE TO TRADE IN BRITAIN

## Japan Anxious For Peace

armament for financial reason," he declared, "he has never learned to appreciate our true feelings. Our naval institution actually far from being of aggressive proportion was never intended to extend beyond the measure justified by defence. Even without this armament parley, we never thought of building beyond this. So we are looking forward to the forthcoming conference as something in the way of a formal occasion."

to confirm this fundamental idea."

Ottawa—Experimental importations of reindeer to Baffin Island have proved a failure, according to advice received by the Department of the Interior from the Hudson's Bay Reindeer Company, Ltd. For this reason, and on the application of the company, an order-in-council has been passed cancelling a grazing permit originally granted to Vilhjalmur Stefansson, Canadian Arctic explorer, for reindeer and other herbivorous animals on a portion of the southern half of Baffin Island.

**Ran. on Imminents**

Calgary.—H. B. Adshead, M.P. East Calgary, received a telegram from the acting Minister of Immigration advising him that action was being taken to prevent sailing of additional Central Europeans likely to add to present congestion. With others, Mr. Adshead had complained that too many immigrants from Central Europe were arriving for this district to accommodate with work at this time.

### Princess Mary Christens Ship

London.—Princess Mary christened the Canberra which was launched on the Clyde in the presence of a large gathering amidst considerable enthusiasm. The Canberra, named after Australia's new capital, is the second battle cruiser built on the Clyde for Australia in a few months. The first cruiser is now being fitted out.

**Approves Concession to Canada**  
Parls.—The Senate has adopted the

bill, which has already passed the Chamber of Deputies, which approves the concession to the Canadian Government of ground in Vimy Ridge for the erection of a monument to Canadian soldiers killed in the war.

### To Develop Mining Area

Winnipeg. — Two million dollars will be spent in the Central Manitoba mineral area on development work this year. Improved navigation and highways into this district are included in the activities of the Mining Bureau of the Winnipeg Board of Trade.

### Delightful Holiday Location

1990

Algonquin Park, in Ontario, is one of the Dominion's charming holiday spots, particularly for the lover of fishing, canoeing and other aquatic sports. Here a canoeist is shown making his way through the passage which leads into St. Andrew's Lake, one of the beauty spots of this delightful holiday resort.—Canadian National Railway's photograph.

## THE RED CROSS.

During the Great War the Red Cross accomplished a wonderful work among the soldiers. With the cessation of hostilities it was thought by many people that the work of the Red Cross was finished.

But such is not the case. The Red Cross is still functioning. Its operations are being extended each year among the disabled soldiers of the war; the children, crippled or sick; in pioneer districts requiring nursing service; for the new Canadian mother; for mothers and daughters receiving training in the principles of nursing service.

The Red Cross is a universal organization. No distinction is made between countries or peoples. Wherever there is sick or suffering, there the Red Cross carries on its work.

It requires money to carry on this work of mercy and humanitarianism, and the Red Cross is now appealing to the people of Canada for one million dollars. This money is to be raised by July 1st. A national canvass is being conducted throughout the country, and every person will be asked to contribute a share. Any donation, no matter how small, will be accepted with thanks and appreciation. Every cent goes to the Red Cross, and will be used to carry on the noble work of this order.

The campaign in Coleman for funds for this purpose will likely get under way in a couple of weeks, when it is hoped that canvassers will meet with a hearty response to this worthy appeal.

## EDITORIAL NOTES

Leithridge voted down the proposal to build a new High School some time ago, and now proposes to discontinue the commercial classes in her school system, but has, at the same time, launched a quarter of a million project for a new hotel. No, it is not and never was a question of money when it comes to education—it is a mere question of perspective.

As an everlasting memorial in honor of the Fathers of Confederation, it has been suggested that annual peaks in the Rockies be named after them. Their faith in the future of Canada was as firm as a rock.

The fact that the Atlantic Ocean has been safely negotiated by airplanes is a matter for congratulation. If present conditions continue the air motor will soon replace the ordinary motor as a means of travel.

Man used to be judged by the company he kept, but now it's by the car he drives.

## Wit and Wisdom

Every time you say "business is rotten," you help it to be worse.

Some remedies are worse than the disease, but the cure for poverty is not one of them.

"I can't find my own opener," said a Coleman wife the other day. "Probably away taking the rest cure," growled the other fraction of the family.

Fashion Note—A very dainty frock can be made by simply cutting down a one piece bathing suit a trifle.

Another thing that can't be done is to hold down a job without staying on it.

Most folks work too much. Work should be done only as a means of getting a little food and playthings.

If you are not kind, you are the wrong kind.

A Coleman philosopher expresses the hope that in his next incarnation he shall be half Irish and half Hebrew. "For," he says, "the Irishman is happy as long as he has a dollar, and the Hebrew always has it."

There are only two classes of people who never make mistakes—the dead and the unborn.

An advocate of motoring says that it opens up a new life. This is often only too true.

## English Comedy Success Coming to Blaimore

Theatre goers will be pleased to learn that "French Leave" the much talked about English comedy success, has been secured for one night, Monday, June 13th, and will be presented at the Opera House by a company including Peggie Burnand and Frank G. Vyvyan, the latter being one of the English cast which played in the English production.

"French Leave" was first produced and ran for an entire season at the Apollo and Globe theatres, London, and was one of the outstanding successes of recent years. It is a very funny light-comedy, depicting scenes behind the lines—"in billets"—"somewhere in France"—but without any of the tragedy or serious side of the campaign being introduced into the action.

As one of the great London dailies said: "It is a delicious satire on army rules and discipline, and without a clear of any bitterness, that even those at whom some of its shafts are aimed, laugh delightedly at the comedy situation so reminiscent of the great campaign."

Playing the two leading characters are Miss Peggie Burnand, formerly of London, and whose recent portrayal of Elinor Beauchamp in "So This is London" will be remembered with pleasure by many local theatregoers. In "French Leave," Peggie plays Mlle. Juliette, whose escapade gets some of the "higher ups" of the B. E. F. into all kinds of trouble, while, as Brig.-Gen. Root, C.B., D.S.O., Mr. Frank G. Vyvyan is seen to great advantage in a part with which he is very familiar, having been in the English cast of the same comedy.

More recently his masterly portrayal of Sir Percy Beauchamp in "So This is London," during its record making run in Vancouver of ten weeks, and also during the past season on the road, has earned for him the unqualified approval of every critic between here and the Great Lakes—the Winnipeg verdict being, that it was the outstanding performance of many years in that city. His Brig.-Gen. Root is said to be a worthy companion to Sir Percy.

## Here and There

In addition to the Exhibition of fowl at the World's Poultry Congress at Ottawa, there will also be a large display of rabbits and canaries. Announcement to this effect was made at a meeting of the Congress Live Bird Committee, which has definitely assigned space for these added classes at the exhibition.

Thousands of citizens of Regina took advantage of the opportunity to inspect the new Canadian Pacific Hotel, Saskatchewan, opened May 24 by E. W. Beatty, Chairman and President of the Canadian Pacific Railway. This eleven story addition to the company's chain of hotels across the continent is regarded as one of the finest buildings in the west.

Canada's industrial products of today, together with a comprehensive demonstration of the progress of industry in the Dominion since confederation, will be displayed in elaborate styles at an exposition which the Produced-in-Canada Association, sponsored by the Canadian Manufacturers' Association, will stage in Montreal in August next.

This spring about 5,000 men have been placed on Alberta farms by the Alberta Government Employment Service. During the month of April and the first ten days of May 1,003 men have been given employment by O. Hanson & Company, local employment agents for the Canadian Pacific Railway. These men have been sent out on section work and to extra gangs. Of the number mentioned 778 were new arrivals from continental countries.

According to the latest information given out by the Canadian Pacific Railway in connection with the proposed new Toronto hotel, additional land has been purchased bringing the frontage on Front Street up to nearly 600 feet. It has also been stated that the new C.P.R. hotel will be 20 stories or more in height. The site of the proposed structure is directly opposite the new Union Station, the land being occupied at present by the well-known Queens Hotel.

Don Salvador Castello, who will head the Spanish delegation to World's Poultry Congress to be held in Ottawa from July 27th to August 4th, has notified Congress headquarters that the representative from this country will arrive in Canada on July 23rd or 24th. The Spanish live bird exhibit will reach Montreal on July 21st or 22nd. The party is sailing from Cherbourg on the C.P.R. liner "Montreal" on July 14th. Don Salvador Castello states he believes the Spanish National Exhibit will be one of the most remarkable staged at the Congress Exhibition.

The Post Office Department advises that permission has been granted the Western Canada Airways, Limited, or its agents, to operate an air mail service between Rolling Portage, Ontario, and the Red Lake mining area, and convey such mail as is offered for conveyance by this service. The requirements are: (1) The words "fly air mail" to be prominently written on the address side; (2) The usual Canadian postage be affixed on the address side; (3) The "Air mail stamp" to be placed on the reverse side.

E. W. Beatty, Chairman and President of the Canadian Pacific Railway, has offered \$5,000 in prizes for the 1928 musical festival to be held at the Chateau Frontenac, Quebec. The folksong festival recently concluded at the Ancient Capital was an outstanding musical success, being carried out for the first time. The prizes offered by Mr. Beatty will be for musical compositions based on French-Canadian chansons populaires and folk melodies. J. Murray Gibbon, Canadian author, who has translated many old French-Canadian folk songs, is largely responsible for the success of the recent festival at Quebec. Judging from great comments in all parts of the continent these old songs of French Canada are fast gaining in popularity.

Sidelights on the Chinese situation were thrown by travellers from a trip around the world, who arrived at the Windsor street station in Montreal recently, on the last lap of their journey. They were: Harcourt Williams, well-known railway utilities financier of New York; Paul Cravath, general counsel of the Missouri Pacific Railroad; and Colonel R. B. Worgan, the Indian army, who had joined the trip at Madras who had been in Shanghai, his arrival corresponding with the capture of the city by the Nationalists. Mr. Cravath said that he had not heard a shot fired on that day, and would not have been aware he was in a city taken in open war if he had not been informed of the fact.

## Here and There

An honor was conferred upon Captain James Turnbull, C.M.D., R.N.R., commander of the Canadian Pacific steamship Montclair, recently, when he was appointed Aide-de-Camp to His Majesty King George V.

All golfing records were shattered recently when K. Tanaka, local Japanese golfer, playing on the Canadian Pacific course "Langara," scored a hole in one twice in one round of the eighteen-hole links. The first was obtained at the fifth hole which is 115 yards, and the second at the sixteenth hole, which is 210 yards.

The Fukuoka Wireless Receiving Station, claimed to be the largest of its kind in the East, was opened recently. All wireless messages from America and Europe will now be received there. Work on this Japanese station was begun last August costing over \$300,000. The station is equipped with a transmitting apparatus which, however, will not be used except in an emergency.

During the year 1926 a total of \$15,000,000 was spent on construction and maintenance of all provincial highways in Canada, according to computation made by A. W. Campbell, Dominion Highway Commissioner. Of this total \$29,265,000 was spent on construction and \$15,987,000 on maintenance of highways already constructed. The total mileage of roads involved in this aggregate expenditure was 46,824.

Representing fifty Nebraskan families who wish to settle in Canada, a delegation headed by Frank Stewart, of North Platte, Nebr., conferred with C. A. Van Scoy, superintendent of the colonization department of the Canadian Pacific Railway Company at Winnipeg in order to obtain details regarding suitable tracts of land. The land seekers will go to Calgary with a representative of the department and inspect land in that vicinity. The group proposing to emigrate has ample capital, it is said.

The Folksong and Handicraft Festival held at the Chateau Frontenac, Quebec, May 20-22, under the auspices of the National Museum of Canada and the Canadian Pacific Railway Company, proved to be perhaps the most outstanding musical event ever held in Canada. Many persons from all parts of the continent gathered at the Ancient Capital to hear the old songs of French Canada and to see the handicraft products that are still produced to a large extent in Quebec despite the modern methods general in almost every other part of the Dominion.

The farthest north settlement in the world, Backe peninsula, is cheered by radio programmes. Situated in the Arctic Ocean, 750 miles above the Arctic circle, this far-flung outpost is situated ten and one-half degrees off the North Pole. Here there is a post of the Royal Canadian Mounted Police, the garrison consisting of Sergeant Joy, two constables, and a few Eskimos. From November to March they do not see sunlight. Their one great pleasure is in listening to radio programmes from the outside world.

A unique musical event will take place at the Chateau Frontenac, Quebec, May 20 to 22, when a folk song and handicraft festival will be held. The songs will be sung by local singers, famous for their knowledge of traditional airs of Old Quebec. French-Canadian folk songs are gaining in popularity throughout the country since so many of them have been translated into English by John Murray Gibbon, of Montreal. Charles Marchand, one of the outstanding interpreters of these old-time songs, will figure prominently at the coming musical festival.

President Coolidge's natal State, Vermont, has been brought vividly to the attention of the Middle West, Ontario and Quebec by a special train, known as the Vermont Maple Sugar Special, which has been touring the western states and which visited Ontario and Quebec in the latter part of April, carrying special exhibits of Vermont products and also a car of Canadian Pacific exhibits. Governor John E. Weeks, Vermont's chief executive, and Mrs. Weeks, together with his staff, the United States Senator for Vermont, and many other State legislators and representatives of leading business interests, were aboard the train during its extended tour.

Mr. Matt. Korman purchased a new Ford touring car from the local Ford dealer last week.

Miss Sylvia Bobbitt, daughter of Mr. and Mrs. Walter Bobbitt, of West Coleman, was the hostess at a delightful birthday party at her home on Wednesday evening of last week. The occasion was in honor of her tenth anniversary and upwards of thirty of her girl friends were present to help her royally celebrate the occasion.

Mrs. R. Easton recently received a very fine photo of the Oxnard Elks Band, of Oxnard, California, of which her son, Mr. Alex. Easton, an old Coleman boy, is a member.

Mrs. R. B. Barnes, of Vancouver, B. C., arrived in Coleman on Wednesday morning, and will make her home here with her son, Mr. R. F. Barnes.

Mrs. J. Beveridge, who has been undergoing treatment in the local hospital for the past few weeks, left for Kimberley last Sunday for a holiday. Mr. Beveridge accompanied Mrs. Beveridge, returning on Tuesday.

Mr. and Mrs. F. G. Graham and family have moved into their new residence on Second Avenue.

A very fine showing of tulips is to be seen just now in the grounds of Mr. and Mrs. A. Beveridge on the corner of 6th street.

Mr. D. Davidson recently purchased a new Pontiac De Luxe Six from the Coleman Garage Limited.

Mayor Burns arrived home from Edmonton last week-end where he spent several days on municipal business.

**Card of Thanks**

Mr. and Mrs. E. F. Gare desire to thank their neighbors and friends for the many kindnesses shown during Mrs. Gare's recent illness.

Miss Hilda Fairhurst returned on Thursday last to resume her duties at the Galt hospital at Lethbridge, after spending her holidays with her parents here, Mr. and Mrs. J. Fairhurst.

Mr. Fred Lees, a former Coleman resident, who has been working in Calgary during the past year, has recently taken a position as stock-keeper with the Crow's Nest Pass Motor Co., of Blairmore.

Messrs. R. Gillis and R. F. Barnes were representatives from the Coleman Golf Club at the C. N. P. Golf Tournament at Lethbridge on Saturday and Sunday last.

Mr. S. Leosky is driving a new Pontiac De Luxe Six purchased from the Coleman Garage Limited this week.

**NOTICE**

A Joint Memorial Day Service of the I. O. O. F. and Rebekah Lodge will be held on Sunday, June 12th. Brothers and sisters will please meet at Oddfellows hall at 2 p. m. All members and visiting brothers are earnestly requested to try and be present.

Mr. A. M. Morrison left for Calgary Tuesday night on a business trip.

**Here and There**

Passengers aboard the Canadian Pacific Empress of Scotland were not deprived of visiting China on the present round-the-world cruise of this ship, on account of the recent trouble in that country. Word from the cruise director is to the effect that the passengers received a warm welcome at Shanghai and that the Chinese were most friendly.

A new Canadian bird, the "turkey," has made its appearance. It is a cross between a turkey and a Rhode Island hen, and was first brought to public attention at the Edmonton poultry show. George Spurgeon, who raised it, claims that it will effect a revolution in the poultry business, as it combines the best features of the hen and the turkey. It has a hen body and a turkey head.

His Majesty King George and H.R.H. the Prince of Wales have notified the British section of the World's Poultry Congress that they intend to exhibit poultry at the congress exhibition, to be held in Ottawa from July 27 to August 4 next. There is also a possibility of the Queen of the Netherlands and King Alfonso of Spain sending exhibits, in which case the Canadian capital will be the first city in the world privileged to house the exhibits of several royal flocks.

The Indians of the three prairie provinces last season produced approximately 1,000,000 bushels of grain, of which about half, or 488,000 bushels was wheat, according to a recent government report. There are about 35,000 Indians in the area in question and the portions reserved for their use include some of the most fertile land of the west. They had 97,000 acres of land under cultivation in 1926 and they own about 25,000 head of cattle and 35,000 horses of a good type.

This Big Feature  
will be shown at the
